MATERIAL CUPS AND LINERS

For larger applications and less cup fills purchase additional cups. Each cup includes a cover for storage or to shake it for fast clean-up without a cup liner.

- 16D560 32 oz (.95 l) Material Cup and Cover
- 16D561 48 oz (1.42 l) Material Cup and Cover
- 16D562 Material Cup Liners – 10 Pack
 - Fits 32 oz, 48 oz cups; disposable cup liners make cleanup fast and easy

20V LITHIUM-ION BATTERY AND CHARGER

Add another battery to spray larger than 2 gallon (7.57 l) jobs. One fully charged battery is able to spray up to 1 gallon (3.78 l) for continuous spraying. Charge time for 80% performance is 45 minutes. *(Compatible with TrueCoat Pro, TrueCoat Pro II and TrueCoat Pro Fine Finish)*

- 16D558 20V Lithium-Ion Power Pack
- 16D559 Power Pack Battery Charger
 - Add a charger to reduce down time by charging two batteries at once. Light indicators monitors and displays charging process. *(Compatible with TrueCoat Pro, TrueCoat Pro II and TrueCoat Pro Fine Finish)*
- 16F628 Portable Battery Charger
 - Plugs directly into a 12V port and charges your battery on the way to the job site! Charges when the electrical power is not available. Great for emergency situations as a back up power source. *(Compatible with TrueCoat Pro, TrueCoat Pro II and TrueCoat Pro Fine Finish)*

TRUECOAT PRO II REVERSIBLE SPRAY TIPS*

TrueCoat Pro II Reverse-A-Clean® (RAC) spray tips are uniquely designed tip and guard combination that is optimized for use with ProSpray Technology.

TrueCoat Pro II tips are available in narrow and wide fan sizes for thin to thick material. TrueCoat Pro II multi-color tip is designed for small projects and touch-ups for multi-color spec finishes.

TrueCoat Pro II

XWD515
XWD517
XWDMC1

TRUECOAT PRO II MATERIAL AND TIP SIZES			
Thin	Medium	Heavy	Special
Stains	Enamels, Thin Latex	Heavy Latex	Multi-Color Coatings
311	315,515	517	MC1

** For use with TrueCoat Pro and TrueCoat Pro II Sprayers Only*

TRUECOAT SPRAY EXTENSIONS

Extend your reach with TrueCoat fixed and flexible spray extensions.

- 24F897 12 in (30 cm) Fixed TrueCoat Spray Extension
- 24F898 24 in (60 cm) Fixed TrueCoat Spray Extension
 - Exclusive two way pivot allows you to angle the pole 180° to spray ceilings, walls and floors with a consistent, even spray pattern. *(Tip and guard not included)*

TRUECOAT FLEXIBLE EXTENSION:

- 24F899 12 in (30 cm) Flexible TrueCoat Spray Extension
 - Articulating extension can easily flex in any direction for hard-to-reach areas and small projects with many angles. *(Tip and guard not included)*

TrueCoat extensions are identified by black fittings.

TRUECOAT STORAGE CASE:

Durable storage case protects all components inside and is convenient for carrying from job to job.

- 16P458 Cordless Storage Case
- 24F078 Electric Storage Case
