LD Series™ Pumps

Amazing Performance at an Amazingly Competitive Price

These affordable and full featured pumps are designed for low volume applications to provide long life and serviceability. LD™ has a powerful three inch air motor to deliver the fluids you need while the built-in thermal relief protects your equipment from thermal expansion.

- Available in 3:1 or 5:1 for oil and 50:1 for grease

Mini Fire-Ball® 225

Perfect for Medium Pressure, Low Volume Applications

You can't afford downtime, especially when your shop is small and your work force depends on equipment performance. An engineered design with fewer moving parts means less to wear out, reduced downtime and more profit for your business.

- Available in 3:1 for oil and 50:1 for grease

Category Leading
7 Year
Warranty

Mini Fire-Ball 225

Dispense Points	1-2
Annual Usage	Up to 30,000 gal/oil*
Line Length	Up to 250 ft (76 m)

*113,500 liters and up to 10,000 lb (4,535 kg) for grease

Fire-Ball® 300

Ideal for Medium Sized Shops with High Pressure Grease Dispense and Oil Transfer

Install the Fire-Ball 300 in high pressure, medium volume oil and grease dispense applications such as automotive dealerships, fast lube centers and service shops. A three inch differential air motor ensures smooth pumping and the smooth double-acting pump design provides reliable fluid flow and accurate dispense.

- Available in 5:1 for oil and 15:1 or 50:1 for grease

Category Leading
7 Year
Warranty

Fire-Ball 300

Dispense Points	1-3
Annual Usage	Up to 35,000 gal/oil*
Line Length	Up to 500 ft (152 m)

*132,000 liters and up to 10,000 lb (4,535 kg) for grease

Fire-Ball® 425

The Pump of Choice for Your Most Demanding High Volume Applications!

The Fire-Ball 425 features a large 4.25 inch air motor to supply the power you need for long pipe runs and higher volume dispensing. An Ideal choice for applications such as truck fleet service facilities and in-plant applications where multiple dispenses happen at the same time. The Fire-Ball 425 delivers field-proven durability for multiple fluid types and exceptional cost savings that are hard to beat!

- Available in 3:1, 6:1, 10:1 for oil and 10:1, 50:1 or 75:1 for grease

Category Leading
10 Year
Warranty
