## G3™ Pump Kits

### Out-of-the-Box Lubrication Kits with Everything You Need for Installation

Each kit includes a 24 VDC pump, which is tested tough to withstand abuse from the elements. IP69K rated to handle the elements without an enclosure.

G3's Data Management System (DMS) makes it easy to transfer data to your PC via USB flash drive for further analysis using Excel® or Notepad®.

Each kit has the correct metering devices included. No need to figure out lubrication rates or calculate line lengths. Precision machined, honed and match-fit in our own factory for top performance.

Everything is included for faster installations with no special tools required. No more searching around for each adapter and connector—you get everything in one box ready for your installer.

- Continually monitored on-board lubrication regardless of length of operational schedules.
- Protects equipment from contamination, over- or under-lubrication, and mechanical failure caused by improper lubrication.
- Allows longer time between scheduled maintenance.
- Avoid breakdowns on the job site, schedule your equipment repairs and regular maintenance in the shop.

### Ordering Information

G3 Pump Lubrication Kits		Manual
24R376	Wheel Loader, 8L G3 DMS, USP, 22 point	333502
24R377	Wheel Loader, 8L G3 DMS, USP, 31 point	333503
