SERVICE MANUAL CROSS REFERENCE LIST

Only assemblies having replaceable parts are listed — welded, press-fitted, peened, crimped are not.

KEY TO NOTE NUMBERS

- 1** Production blueprints—get from Product Engineering
- 4** Assembled instruction book—specify unit, model and serial numbers
- 5** Get from Service Department
- 6** Government Technical Manual
- 7** Manufacturer's instructions (not Graco)
- 8** Manufacturer's instructions and production blueprints
- 9** Government Technical Manual and manufacturer's instructions
- *** Marked up manual and production blueprints
