

New for 2001 – MAGNUM dx™ Airless Sprayer and Accessories

MAGNUM dx Airless Sprayer

Graco Part No. 232735, Home Depot SKU 586071

The new MAGNUM dx, with its piston pump and universal motor, offers exceptional durability and dependable performance. It's ideal for homeowners and for the small tradesman's paint spraying and paint rolling projects and is built for periodic use up to 125 gallons (473 L) per year.

Easy-to-Use

- Preassembled and lightweight with simple-to-operate controls
- Comfortable, quick-acting pressure control knob
- Accommodates up to a 5-gallon (19 L) pail
- Durable, stable stand mount

Easy-to-Clean

- Power Flush™ after using waterbase paints – connect to a garden hose to clean pump, hoses and gun in minutes
- Protective, solvent-resistant shroud is easy to wipe clean

Easy-to-Maintain

- Direct-Drive gear system is maintenance free – no need for hydraulic fluid changes, as required in diaphragm sprayers
- Pump needs no periodic lubrication, as do competitors' piston pumps
- Demand Delivery™ System (pump and motor stop when spray gun trigger is released) – eliminates constant motor and pump operation, which reduces component wear

MAGNUM dx comes with

- SG1-EF Spray Gun with Easy-Access in-handle filter
- Duraflex™ airless paint hose, 3/16 in. x 25 ft. (4.8 mm x 7.6 m)
- 515 Reversible Spray Tip (RST)
