

Fusion® CS Gun Parts Kit

Even a Small Part Can Make a Big Difference

Eliminate unnecessary downtime

Improve uptime with convenient Graco Gun Parts Kits. You'll always have the proper wear parts on hand for your Fusion Gun. Kits contain everything you need to rebuild and repair your guns: side seal cartridges, mix chambers, O-rings, air caps, check valves, mesh filters, fluid valves and more.

- Kits offer a 10% savings versus buying parts individually
- Compartments are clearly labeled with part numbers making reordering a breeze

Kit Includes:

- 1 – 256459, A side shut off valve
- 1 – 256460, B side shut off valve
- 1 – 256462, A and B house manifold check valves
- 1 – 256469, A and B side seal assemblies
- 1 – 257422, A side check valve
- 1 – 257423, B side check valve
- 1 – 257424, dosing piston (includes O-rings)
- 1 – 256455, spool valve (includes O-rings)
- 1 – 121540, breather plug
- 1 – 117510, air coupler
- 1 – 117661, drill vise
- 1 – 256526, handle cleanout kit
- 5 – 256414, retaining cover
- 6 – 117485, spool valve springs
- 6 – 121642, retaining ring
- 2 pack – 256464, side seal kit
- 6 pack – 256773, O-rings for housing (large)
- 6 pack – 256772, O-rings for piston (small)
- 6 pack – 256469, O-rings for hose manifold check valve
- 6 pack – 256467, O-rings for side seals + springs
- 6 pack – 248132, O-rings for housing (large)
- 6 pack – 248648, O-rings for housing (small)
- 6 pack – 256774, O-rings for variable flow adjuster
- 6 pack – 256775, O-rings for piston (large)
- 6 pack – 246354, O-rings for check valve retainer
- 6 pack – 256771, O-rings for check valve housing
- 6 pack – 257425, O-rings for safety stop shaft
- 6 pack – 257426, O-rings for flow adj. & dosing piston
- 10 pack – 246357, #40 mesh filter screen
- 10 pack – 257420, springs
- Open compartment for mix chambers

Ordering Information

24X573 Fusion CS Gun Parts Kit

Save time with genuine Graco parts

Are you breaking down your gun every day so cheap O-rings will last longer? That time adds up to some serious overhead. Ten minutes a day = 200 minutes per month. That's 40 hours per year – **an entire work week! Per gun!**

With genuine Graco parts, it's recommended to break down your gun only once per week. That's just 40 minutes per month, or eight hours per year.

You can find a better way to spend four extra days per year, can't you?

See your Fusion CS gun in an exploded view

Get a closer look at your genuine Graco parts with the exploded view poster series. Each gun has a corresponding exploded view poster to quickly identify where a part is located and what the part number is. For a printed copy, see your Graco distributor.
