

TOUGHTEK® S340e

Stucco and Repair Mortar Sprayer

BIG PERFORMANCE IN A SMALL PACKAGE!

When it comes to applying stucco or mortar to a surface, nothing is faster than spraying! With the S340e, you can finish your jobs 2X faster than troweling, allowing you to save labor costs, bid more jobs, bid larger jobs and maximize the efficiency of your crew. Small in size, big in performance, turn to the S340e for the ultimate in productivity!

Perfect for any jobsite!

Position the material and pump where you need it

Spray Directly to the Surface!

A perfect blend of high-performance, material capability and versatility to do it all!

Lower Costs = More Profit!

Maximize productivity so you can do more jobs

BENEFITS YOU'LL APPRECIATE!

High-performance — Pump up to 40 bags an hour to get the job done faster

Lightweight and portable — Only weighing 210 lb it's smaller and lighter than comparable high performance pumps

Plug and play — Only requires a standard 120V wall outlet for maximum convenience

Less downtime — Proven Quick-Access Piston Pump lasts longer and offers a lower cost of ownership than rotor stator pumps

Easy maintenance — Tool-less disassembly of outlet manifold and pump components to keep your pump up and running from one job to another

TOUGHTTEK S340e

Stucco and Repair Mortar Sprayer

PROVEN PISTON PUMP PERFORMANCE

Graco's double-displacement piston pump technology offers unmatched performance while delivering long life and lower cost of ownership than rotor stator systems.

Oversized clearances ensure minimal pressure drop and trouble-free performance.

Convenient 120V Power

- Plugs into standard 120V wall outlet
- No electrician or rewiring needed

Adjustable Material Flow Control

- Dial in the exact flow needed for your job
- High or low flow — you decide!

Durable Frame and Hopper

- 20 Gallon polyethylene hopper and lid withstands job site abuse
- Easily mix and pour with standard barrel mixers
- All steel frame construction with flat proof tires

Tool-less Hopper Removal

- Disconnect in seconds for easy cleaning

Compact and Portable

- Minimize your hose lengths/hassles by bringing the sprayer closer to your work
- Easy to transport

MaxPower DC Brushless Motor

- High-torque = more work done
- Maintenance free design
- Totally-enclosed design keeps dust and debris out

Durable Quick Access Piston-Pump

- Heavy-duty steel construction for long life and everyday performance
- Oversized inlet and internal passages for trouble-free pumping
- Quick-access design for fast and easy maintenance

TOUGHTTEK S340E	PART#
Bare (with remote)	25A302
Package Includes: Stucco Applicator, (1) 1-3/8 in x 50 ft (35 mm x 15 m) Material Hose	25A303

SPECIFICATIONS

Material Output	12 gpm (45 lpm) — Up to 40 bags per hour (stucco)
Max psi (bar)	600 (42)
Max Particle Size	3/16 in (5 mm)
Max Hose Length	150 ft (46 m)
Hopper Capacity	20 gal (76 l)
Pump Outlet	1.5 in (38 mm) Camlock
Weight	210 lb (95 kg)

Air: Requires user supplied air compressor

ACCESSORIES	PART#
Stucco Spray Kit Includes: Stucco Applicator, 1-3/8 in x 50 ft (35 mm x 15 m) Hose and required adapters (uses Camlock Couplings)	27A218
