

WHY YOU NEED FLUID MANAGEMENT

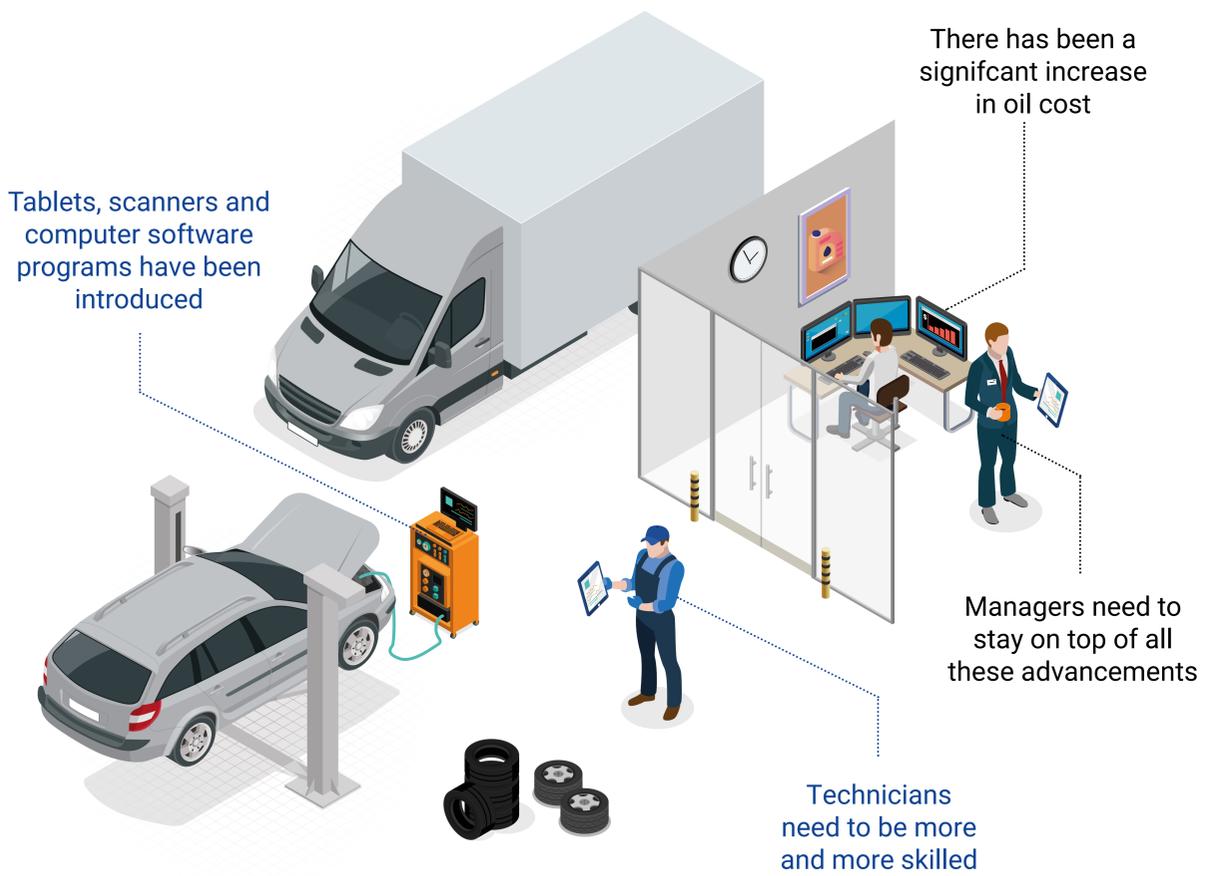

COMMON WORKSHOP FLUID MANAGEMENT CHALLENGES

Although a lot of innovations took place in workshops over the years, fluid dispensing often hasn't been modernized. Workshops still encounter the same issues as they did decades ago, which reduces efficiency and profitability.

WORKSHOPS HAVE MODERNIZED OVER THE YEARS

A lot has changed in the last few decades

But technicians still need to dispense fluids

Gear lube

Coolants

Oils

Antifreeze

FLUID MANAGEMENT SYSTEMS LIKE GRACO'S PULSE PRO® HELP YOU ANSWER THE FIVE WS FOR EVERY DISPENSE JOB.
