

LineLazer™ V 200hs

Hydraulic Walk Behind Striper

LineLazer V 200hs

► Applications & Materials

The LineLazer V 200HS is the high performance hydraulic striper you'll want for your most demanding jobs. It's proven history of innovative features has made it the striper of choice for contractors demanding a true workhorse. The LineLazer V 200HS is the perfect unit for large parking lot jobs, airports, and city jobs that not only require precise lines but also demand reflective beads.

Includes all Standard Series Features PLUS:

Features & Benefits

Automatic, Semi-Automatic Guns

- Push button control for accurate stripes every time

Auto-Layout™ II

- Easy to use – cuts layout time in half
- Works directly from the gun, just turn your tip 180°

Data Logging with J-Log™ System

- On-board job information for “proof” of completion

On-Board Power

- 12V battery for all your accessory items

Includes all HP Automatic Series Features PLUS:

Features & Benefits

Pressurized Bead System

- On-board compressor
- Pressurized bead tank
- Bead gun activates automatically with spray gun
- Bead gun with gun-delay ability
- Adjustable nozzle for bead dispensing width adjustment
