

# XD 40 and XD 50 Hose Reels

XD 50 >

< XD 40

## Rugged and Efficient

Get work done faster with more flow, higher pressures and a durable long-life design.

# The Complete Package

## From Bulk Tank to Dispense Point

Graco's line of pumps, reels and dispense accessories creates a fully integrated system—all manufactured with performance in mind to keep you working efficiently.

## Innovation

We innovate, and then test to make sure it meets Graco's incredibly high standards. Graco products are designed with features you can really use, like high flow capabilities and strong materials so your equipment will perform when you need it. All backed by top-notch customer support and worldwide experts that sell and service everything we manufacture. You get more value from the products that benefit your bottom line.

## Typical Applications

- Heavy-duty truck dealers
- Fleet maintenance
- Mining maintenance
- Public works garages
- Construction vehicle maintenance
- Heavy-duty mobile service trucks

## Typical Fluids Handled

- Petroleum and synthetic based oils
- Fuel
- Air
- Water
- Anti-freeze
- Waste Oil

**7 YEAR  
WARRANTY**

1 Year on wear  
components

# Toughness is Built-in

Engineered to take a beating and still reliably perform in harsh environments so it's ready when you need it. Choose from more colors, thread types and hoses or choose the bare reel so you can customize it with your hose. You get a professional look, easier fit and better-performing equipment.

## *Expanded Hose Offering*

Standard models come complete with factory installed hoses on the reel. We have a large selection to fit your application.

## *No limit to Where it Fits*

Rotatable inlet position makes mounting easier in more applications so there's almost no limit to where it fits.

## *More Flow—Less Pressure Drop*

A Graco exclusive—breakthrough swivel design allows better flow to get work done faster. Materials are corrosion resistant and strong for long lasting performance.

## *Won't Lockout*

Improved ratchet design has one set of teeth instead of two to avoid reel lockout.

## *Rugged and Durable Body*

Heavy-duty welded spool and frame are stronger than bolted spools and frames that can loosen with use. Ribs add extra strength for toughness over the long haul.

## *Meets Worldwide Needs*

Built standard with 90° elbow with NPT, BSPP or BSPT threads. 1.5" models also include 2" Victaulic\*-style groove. Accessories attach without the need for adapters. You have fewer leak points—all with global approvals—so you can install it anywhere in the world.

\*Victaulic is a trademark of Victaulic Company of America.

Proudly built in the U.S.A.

## *More Colors*

Choose from these colors for a professional look.

# Graco's got you covered

Facilities Worldwide for Global Support

## Quality First

At Graco we pride ourselves on providing best-in-class products. Engineered solutions are manufactured in our own facilities, with the highest standards in the industry. We provide you with world-class customer support and expertise to help solve your lubrication challenges.

## Global Reach

Graco has facilities and distribution partners across the globe to provide you with the products and service *you* need, where *you* live. Plus, Graco has dedicated field experts in all areas of the world to support the products we sell.

## Product Capabilities

Graco has a broad range of products to provide solutions that meet your needs. Our products are engineered and tested to perform in the harshest environments so you can be certain your equipment is protected and working at peak performance.
