

RENTAL

Lubrication Solutions

PROVEN QUALITY. LEADING TECHNOLOGY.

INCREASE EQUIPMENT UPTIME TO MAXIMIZE PROFITS AND ASSET INVESTMENTS

KEEP RENTAL EQUIPMENT OPERATING AND GENERATING REVENUE

Improper lubrication is a leading cause of downtime for job site equipment. With Graco's automatic lubrication solutions, your rental equipment will always get the right amount of grease while out on a job site, reducing breakdowns and headaches.

DRIVE ON-SITE MAINTENANCE EFFICIENCIES

Automatic lubrication can save your technicians hours by eliminating the need to manually lubricate each grease zerk on the machine. Simply check the see-through reservoir and add grease if necessary.

ELEVATE SHOP PERFORMANCE AND TECHNOLOGY

Smart shop solutions help manage bulk fluid inventory, giving increased insights, control and reporting to track every drop to a work order. This allows you to make smarter decisions and drive increased operational efficiencies.

NOT ALL AUTOMATIC LUBRICATION SYSTEMS ARE BUILT THE SAME

Rental professionals trust Graco solutions to elevate everyday performance.

- **2, 4, 8, 12 or 16 liter Reservoirs**
- **Transparent Reservoir Housing**
- **Digital Controller**
- **PLC Port Connectivity**
- **Telematics Integration**
- **Operation Indicator Light**

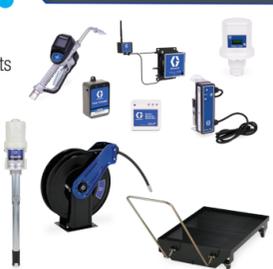

AT WORK WITH GRACO

EQUIPMENT UPTIME MAXIMIZES CUSTOMER SATISFACTION AND PROFITABILITY.

Ensure your rental fleet maximizes rental time to drive maximum profitability with Graco's automatic lubrication solutions. During regular service, Graco's service garage solutions allow your techs to be more efficient, speeding up the time of service to get equipment back out on rent faster.

SERVICE GARAGE

- Track oil usage by recording each dispense and build informed reports to share with stakeholders.
- Industry-leading fluid dispense equipment including pumps, meters, hose reels and reclaim.

SERVICE TRUCKS

- Ensure your service trucks are equipped with the best pumps, meters and reels for smooth field service operations.

OFF-ROAD EQUIPMENT AUTOMATIC LUBRICATION

- Automatic lubrication helps ensure all components on vehicles and off-road equipment are properly lubricated to prevent unwanted downtime.

ALWAYS INNOVATING. ALWAYS RESPONSIVE.

For nearly a century, Graco has designed, delivered and supported solutions that you use every day. We help simplify everyday tasks and improve productivity for forward-thinking workers and businesses around the world.

Whether you're servicing vehicles, operating heavy equipment, performing maintenance repairs, working on an oil rig or running manufacturing lines, we're your one trusted source for proven lubrication equipment and bulk fluid management solutions designed to maximize your profitability. Because we understand just one hour of downtime can equal tens of thousands in lost revenue.

INNOVATIVE

We listen to our customers and adapt to their needs. Our investment in R&D is unparalleled, empowering Graco to create more reliable, connected, and easier-to-use automatic lubrication equipment, bulk fluid management and fluid transfer systems.

QUALITY

From our best-in-class manufacturing processes, rigorous product testing and industry's best warranty, you always know that Graco solutions are going to get the job done – and stand the test of time. That's why you can find Graco products over 50 years old still in operation.

CONSULTATIVE

Being a consultative partner takes work – and we're always up for it. Graco and our distributors want to work with you to identify, design and install the best solutions for your needs to ensure you receive the maximum ROI on your investments.

RESPONSIVE

When you need an answer, we're just a phone call away. Our support team is committed to providing you with a superior customer service experience and a reliable and fast response. Because we know downtime means lost revenue.

Every Graco purchase comes with A+ Customer Service.
