SERVICE MANUAL CROSS REFERENCE LIST

Only assemblies having replaceable parts are listed — welded, press-fitted, peened, crimped are not.

KEY TO NOTE NUMBERS

- 1 Production blueprints—get from Product Engineering
- 2 Marked up manual—get from Technical Publications
- 3 Old service manual
- 4 Assembled instruction book—specify unit, model and serial numbers
- 5 Get from Service Department
- 6 Government Technical Manual
- 7 Manufacturer's instructions (not Graco)
- 8 Manufacturer's instructions and production blueprints
- 9 Government Technical Manual and manufacturer's instructions
- Marked up manual and production blueprints
